25X1 2. 25X1	Forwarly many members of the Northeast Polithuro who could speak Hussian formed the predominant clique in the Association. Following the appearance of the Far Elstern Polithuro of LI Li-san the organization split into three cliques headed by MAO Tse-tung, LI Li-san, and CHOU Pao-chung. There is increasing friction between these cliques, although it is not apparent on the surface.
